Blackcrusader: (Looks At A Dead Body Of A Mill Worker) I Wonder What Happened To Him.

Arach: TDC Happened...

Blackcrusader: Wait...What?

Arach: Troglodyte Degeneration Contagion, A Degenerative Disease That Plagues All The Inhabitants Of The

Pitt.It Is The Result Of Intensively Concentrated Ambient Radiation Exposure Combined With The Unique Industrial Toxins And Pollutants In The Region That Surrounds What Was Once Pittsburgh,An Effect That Is Intensified By The Fact That Half Of The Pitt's Inhabitants Have Resorted To Cannibalism.

Blackcrusader:But How Would They Get Like That?

Arach:All People Who Live In TDC-Active Areas Experience Skin Lesions After A Few Weeks Of Exposure.These Are Reversible,As They May Clear After A Month Or More Away From The Area.For Many Sufferers This Is The Full Extent Of The Effect.For A Certain Percentage Of People Exposed To The Toxins Of The Pitt Region,TDC Also Alters The Brain Chemistry And Thereby Produces Psychological Effects,Turning The Affected Into Wildmen.

Blackcrusader:But How Is It Possible If They Could Become Troggs?

Arach:Well Approximately 20% Of The Adults Exposed To The TDC Lose Higher Reasoning And Motor Skills Over The Course Of Several Years,Degenerating Into The Feral Mutants Called"Troggs."Nobody Has Ever Recovered From Full Degeneration,But Although There ARE Rumors That Troggs Retain Some Memories And Recognize The Faces Of Loved Ones...And Of Course,Children Born In TDC-Infested Areas Have A Nearly 100% Degeneration Rate,Turning Feral Within Weeks After Birth,With One Sole Exception.

Blackcrusader:Well Shit,No Wonder These People Need A Cure For The Sickness.(Sees"The Hole"And Walks Towards It)What Is This?

Dead Dan:THAT My Friend Is What Raiders Call"The Hole",An Arena Where It's Full Of Radioactive Barrels.

Boom-Boom:No Out,Only In.(Laughs)

Dead Dan: (Sees A Slayer Crawl Out Slowly) Is Thing Human?

Blackcrusader: It's Not Human Anymore... That's A Slayer.

Dead Dan: A WHAT?!

Arach: A Beast That Represents Death By Decapitation. Judging By Its Appearance... It Has Long Blades For Arms And Legs, And Its Head Is Held Apart From Its Body By Apparatus Made Of Flesh And Steel. But For Reasons Unknown, Many Slayers Have The Ability To Traverse Along Walls And Ceilings Making Them Often Elusive. They Are Not Often The Most Stealthy Of Creatures When On The Move, Their Blades Causing A Signature Sound When Moving. Which Causes Them To Be Easily Locatable, And Commonly Ensures That They Cannot Effectively Ambush An Inmate or C.O., ... Unless They Are Distracted.

Slayer#12: (Roars, Charges Towards Blackcrusader And Tries To Kill Him But Gets Killed By Boom-Boom Instead)

Blackcrusader:Named SSN-37-1A Which Was Used By The Majority Of NATO Countries Including The United Kingdom's Royal Navy And The United States Navy To Designate Nuclear Powered Attack(Or Fleet)Submarines And It Is Highly Unlikely That The Chinese Would Use The Same Designation,Especially On A Reconnaissance Sub.

Terra Mech:(Digistructs In Front Of Weiss)But However,It Can Be Assumed That The Submarine Was Originally American-Built,And Was Captured By The Chinese In A Certain Period Of The Sino-American War.

Huntress Wizard: ...What?

Blackcrusader:...What The Fuck? (Hears A Phone Ring And Answers It)...Hello?

Jack (On The Phone) :Hope You've Got What You Were Looking For Inside My Head...Or Should I Say OUR Head?(Laughs)Fug Was Right About You,You Should've Stayed Dead When You've Had The Chance.

Blackcrusader: ...Who Are You?

Jack (On The Phone) :...Who Do You Expect?If I Kill
Anyone...**PLEASE STOP ME.** (Laughs Psychotically)**DOG LEGS!**

Blackcrusader:...You're The Guy That Left This Note
Here On The Table Didn't You?

Jack(On The Phone) : (Laughs) Yeah...But You Can Address Me As Many Names Of Smileys, Like Fug, Barry, Drew And Of Course A Few Others.

Blackcrusader:...So You're My Alter Ego No One Mentioned To Me About.

Jack(On The Phone) : Correct, Fug Is Resting, Barry Is Being Barry And Others...They're Resting. But YOU On The Other Hand, I Could Get Along With You JUST Fine As Long As He Must Be Finished Fucking That Whore.

Blackcrusader:...But What About This Room, What's Special About It?

Jack(On The Phone) : It Contains BOTH Our Memories With Different Outcomes.

Blackcrusader: Ok...But How Come At What Single Cost?

Jack(On The Phone) : Instead Of Getting Abused, I Chose Homicide. I Strangled Larry With His Belt And Then Bashed His Skull With A Big TV After I Dragged Him In Front Of It.

Blackcrusader: Damn, Anything Else?

Jack(On The Phone) : I Killed Becky In Her Sleep Along With Her Sons And Brought The Blame On My Pops After Calling The Cops.

Blackcrusader: So What You're Saying Is...

Jack(On The Phone) : That's Right...Instead Of Growing Up With A Family...Well A Dead Family, I've Spent So Many Years In Death Row And Was Electrocuted For Murder, Homicide And...Yeah You Get The Idea.

Blackcrusader:...So You're Me But...Why Would You KILL Your Own Family?

Jack(On The Phone) : That's A Really Good Question, It's Because I Couldn't Take It Anymore...So I Snapped And Went Crazy. It Tore Me Apart...But I've Learned A Single Lesson, We Live In A Society Where We Get

Abandoned And Treated Like Trash, Never Count On Those That Hold You Dear...Especially Your Own Flesh And Blood.

Blackcrusader:...No Shit.

Jack(On The Phone): Yeah...Just Call Me Jack, But According To Your Middle Name You Can Call Me Jaquan.

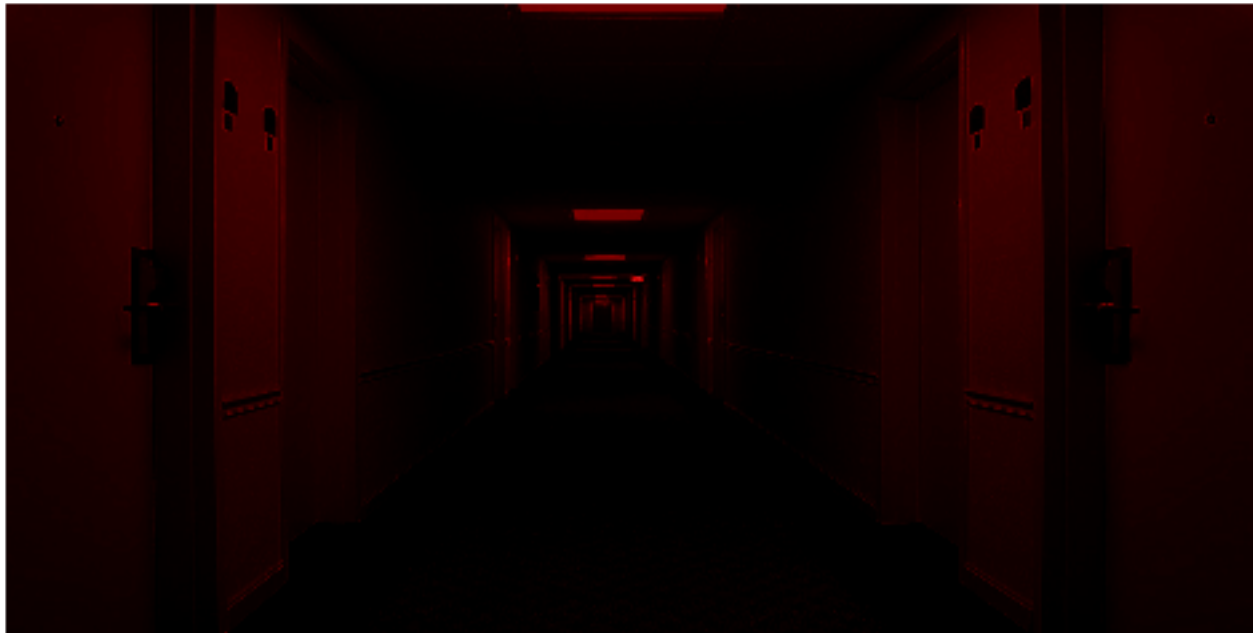

Blackcrusader:...Where Are You?

Jack(On The Phone): I'm Down The Crimson Corridor, Just Head Down The Corridor And Ignore The Voices...It's Best That You Head Straight Down There.

Blackcrusader: Yeah But Why? (Sees A Walkie Talkie And Picks It Up)

Jack(On The Walkie Talkie): Trust Me, Once You Head Straight Down The Corridor We Will Meet Face To Face, Besides Would I Ever Lie To You?

Blackcrusader:...I've Got A Bad Feeling About This. (Sees A Crimson Corridor Filled With TV's Playing Horror Movies, Dark Comedies And Horror Games)

Jack(On The Walkie Talkie): Just Remain Calm And Head Down The Corridor, Just Try Not To Freak Out Ok?

Blackcrusader: (Nods) Ok... (Walks Down The Crimson Corridor As The TV's Begin To Turn On And Play Horror Movies, Dark Comedies, Snuff Films, Dark Web Videos, Horror/Gory Anime And Videogames) ... Damn. (Reaches The Door And Opens It, Sees A Dark Room With A Bright Dim Light Blocked By An Armchair) ... (Enters The Room As "Dreamscape/Deepscape-FNAC 3 OST" Begins To Play)

Blackcrusader: (Hears The Door Close Behind Him, Sees An Armchair With Someone Sitting In It) ... Kept You Waiting, Huh?

Jack: (Smokes A Cigarette And Tosses It Onto A Dead Corpse Covered In Gasoline, Laughs) Never Gets Old...

Blackcrusader: Uhh... Hello?

Jack: Hmm? Oh Yeah... See? I Told You That You Could Trust Me, And Look Where It Got'cha... So You've Made It.

Blackcrusader: Thanks But... Am I In Hell?

Jack: No... And If It Is We Would Be Eating Dog Shit Out Of A Human Corpse. And If It WAS Heaven However... We Would Be Eating Popcorn And Pop Tarts With Robin Williams And Stan Lee. But No... Here We Are In A Fucked-Up Place We Call... Death's Heart Asylum. And Despite It Being A... Large Padded Cell, But You Gotta Admit It's Really Cozy Once You Get Used To It.

Blackcrusader: Huh... I See. But How Are You Attached To This Room And How Is THIS Room Considered Cozy?

Jack: I Dunno, Why Don't You Ask My Little Fuck Puppet?

Blackcrusader: Fuck Puppet? (Feels A Tug On His Right Leg And Sees A Stitched Lobotomized Version Of Milkbar) What The?

Jack:I KNOW Right?It's Pretty Useful Once You Get Used To It,Now...I Heard That She Told Me That You're Going To Point Lookout.

Blackcrusader:No Kidding.

Jack:Damn Straight,That Place Is Nothing But A Ghost Town Filled To The Brim With Tribals,Mutant Hillbillies Hell...EVEN She That You Don't Understand,Aside From Plik Being A HUGE Pain In The Ass With That Arena Of His.

Blackcrusader:...

Jack:Now...To Make Things Better,I Literally Don't Like Being The Type Of Guy Who Wanders Around Countries That You Don't Belong,Kill People That You Don't Know And Act Crazy And Childish In Order To Have People Fear You.

Blackcrusader:...

Jack:But That's Ok...Cause When You Wake Up When The Horn Begins To Blow,I'd Be Ready To Stay Sharp If I Were You.

Blackcrusader:Why?

Jack:Well That's Because...(Holds Up A Puppet On His Right Arm)

Jack's Puppet:(**Jack's Voice:**Bad Things Will Be Heading Your Way...)

Jack's Doll(Milkbar Look-Alike):Be Warned...

D.E.A.D.Inc Boardroom

Boardroom Meeting

Mr.Red: (Sighs) So I'M Guessing That They WENT To This "Mizuryuu-Kei Land" And Got Out Somehow When A Horde Came Into The Park.

Cosma: Not To Mention The Leathermen Being There In The First Place Along With Their Friend Jack Knife.

Cerebella: OBVIOUSLY...

Mr.Red: Anywho... What Do We Have The Others So Far?

Deadeye: Well From What I've Heard, SOME People Never Made It Out Alive. (Sits In The Chair)... But Did So Anyway.

Hachi: And Speaking Of... Does Any Of You Know Where This... "Crusader" Fellow Is At?

Deadeye: Not Really, Considering The Fact That We Barely Know Some.

Mr.Red: Yes Fair Point But Where In The Flying Fuck Are We Gonna Find Something That Is Suitable For Us? Cause A Lot Of People Have Made A Name For Themselves And Themselves Alone.

Deadeye: Like...

Mr.Red: The Heroes AND The Villains For Example... Emperor Makoto's Severed Head Over There... One Of One For All's Acquaintances Over There... And That Girl's Mutated Dead Body Over There. In This World, It's Kill Or Be Killed Not... "Let's Make Peace And Get On With Our Lives" Sort Of Thing Cause In The End... Nobody Ever Gives At Least 12 Shits About Peace While Others Do. Saddest Thing Is... Vector Isn't Around, No One Cares About O'Hare And His "Air" And Shion Sonozaki Killed Herself Since She IS Crazy And All. But Who Even Cares About Anyone But Her AND Rena? Despite Her Being Armed With A Cleaver.

Deadeye: Huh... Say Less. (Drinks His Coffee While His Feet Is On The Table)

Mindy: Although We DID Have Some Problems In The OTHER Universe.

Mr. Red: Come Again?

Deadeye: Well Come To Think Of It There IS This Girl Named Addison, Who Used To Be A Hockey Player.

Mr. Red: Uh Huh, So What? It's Always A Cold Day In Hell, Even For Me.

Deadeye: Let ME Finish... She WAS A Hockey Player Until She Started Murdering Criminals With Nothing But... A Wintermelon Wolf Mask And A Hockey Stick, Humming To Some Song From Some Anime Fantasy Show Called "Candy Castle" I Mean Really What Kind Of Name Of A Show Is That?

Mr. Red: (Face Palms, Sighs) ... Name?

Mindy: Says Here That Her Name Is Addison Brody, She Was Born In Rivergrove, Oregon, She Has Lost Her Mother At A Young Age And Was Raised By Her Father Mark And Her Grandfather Anthony.

Mr. Red: Did She Have Any Friends At All?

Mindy: Her Childhood Friend Nick, Who Was Shot In The Head A Cop... Who Was KILLED By Her Along With His Partner.

Mr. Red: Hmm... And Where Is She Now?

Mindy: ... She Killed Herself, She's Dead.

Mr. Red: Shame... BUT- (Gets Up From His Chair) NOW I've Got A Psychopath To Bring To Resurrect From The Dead.

Mindy: WHAT?!

Cosma: You're SERIOUSLY Gonna Resurrect A Teenage Girl That Literally KILLED A Pair Of Police Officers?!

Mr. Red: (Looks Back At Cosma) Precisely. (Closes The Door And Heads To The Hall Of The Dead Section Of The Tower)

Hall Of The Dead

Dead Body Section Of D.E.A.D.Inc

Mr.Red: (Laughs) You've Had Your Time Sleeping After Committing Suicide, But Now It's TIME To Wake UP! (Uses His Resurrection Syringe To Leatherize Addison)

Addison Brody: (Struggles As She Gets Leatherized From Death Then Screams, Heavily Breathes)...Where Am I...WHERE AM I!?(Looks At Mr.Red, Gets His Hand Off Her Shoulder And Grabs A Knife From RAAM's Dead Body And Points It At Mr.Red)...WHO...ARE...YOU?

Mr.Red: ...I Am The Guy That Brought You Back To Life, From Death...And I Have A Job For You. And It Involves Something That Could Involve In...(Gives Addison Her Mask) Painful Situations That Are Both Suicidal AND Dangerous...Whichever You'd Prefer. And Besides Would You EVER Go Back To That Place? And Then What...Have Your DADDY Take You To That Mental Hospital So That They Can Lobotomize You Into Something You AREN'T?(Laughs) Cause If Not...The Only Thing I Want YOU To Do Is One Simple Favor...(Gives Addison A Bounty That Has Blackcrusader's Face On It)

Addison Brody: (Looks At A Bounty Paper, Looks At Mr.Red)...Who Is THIS...Blackcrusader?

Mr.Red: He's The Guy Who Murdered Your Childhood Friend, Threatened To Kill Your Father AND Your Grandfather If You Try To Get In His Way. So What Would Your Friend Say If He Was Around And You Wouldn't Be There To Help Him?

Addison Brody: ... (Sighs, Gets Up And Grabs Her Mask And Her Hockey Stick)

Mr. Red: (Laughs, Pats Addison On The Back) Atta Girl! And Hey... Welcome To D.E.A.D. Inc! Now... What Is That YOU'RE Going To Do, Now That You're Finally Alive Again?

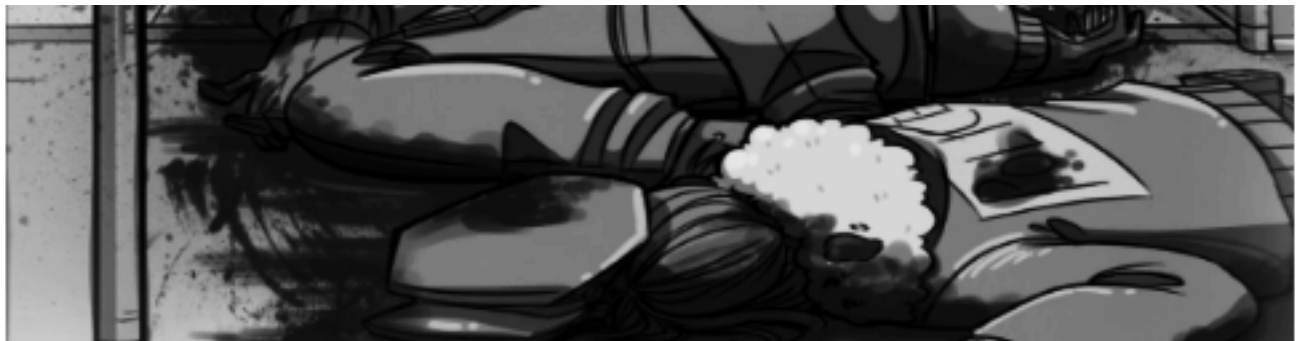

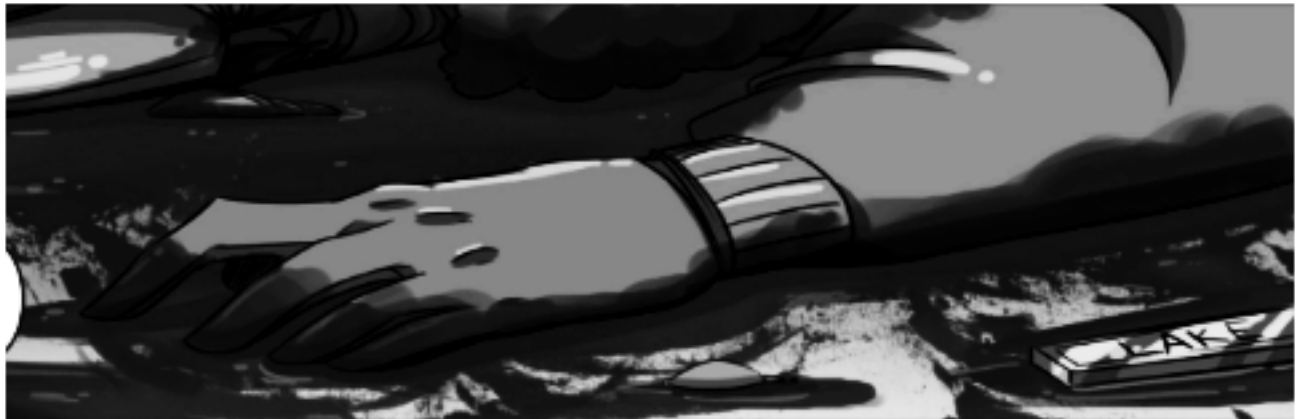

Addison Brody:... (Sighs, Puts On Her Wintermelon Wolf Mask And Plays The Candy Castle Theme Song On Her Phone)

Jack's Room

The Mind Of Madness And Insanity

Jack Goins: (Wakes Up) Wha?... Huh, (Rushes Towards The Book Of Dead Heroes And Villains, Looks At The List Of Names And Notices That One Of The Names Is Missing) That's Odd, ... Oh Shit.. (Flashes Back To The Events Of Tomboy)

Jack Goins:...N-No That's Impossible,She's Dead.(Rushes Down The Crimson Corridor To The Morgue And Sees That Her Dead Body Is Gone)Oh Shit...(Looks At Nurse Mary)Hey...Where's Addison,Addison Brody?

Nurse Mary:Hmm...(Looks At The Book Of Living And Dead,And Sees Addison's Name)She's Been Resurrected By Someone Named Mr.Red.

Jack Knife:But That's Impossible,...Mr.Red.When The HELL Did This Happen?

Nurse Mary:Not A While Ago I'm Afraid,He Just Used Leathermen DNA To Bring Her Back To Life.

Jack Goins:...Mr.Red Used Leathermen DNA To Bring Back A Dead Teenager?Oh Crap I've Gotta Warn Him!

Nurse Mary:Why?

Jack Goins:Cause Addison Brody Is Gonna Kill Him,She's Grown Up Without A Mother And She's Very Psychotic Since Her Friend Died.(Rushes To A Door Which Leads To Gamer Base 117 Living Quarters)

Gamer Base Living Quarters

In The Middle Of Watching "Kick-Ass"

Blackcrusader:I Love This Flick You Know That?(Sees A Man Pop Out Of The Blue)WHAT THE-(Takes Out His APP-3 Pistol And Points It At The Man)Who Are You And Hands Where I Can See Them!

Blackcrusader:Jack?What The FUCK Are You Doing Here?

Spike "GRIMM" Wilson:Crusader,Who Is This?

Blackcrusader:Oh...THIS Is Jack,He's Me Except...He's Insane,Crazy,Likes Getting Himself Hurt And Takes A Lotta Damage.He's Also A Smiley Who Shares The Same Timeline I Have Except He Killed His Family And Died/Woke Up In An Insane Asylum Later In The Year In HIS Room Watching The Samethings Everyday.

TekDek:Huh...

Drake The Crackhead:Is That Right?

Jack Goins:Yeah,Until We ALL Get Our Asses Kicked By Ms.Brody Herself.

TekDek:Brody?

Jack Goins:Some Slut Who Watches Candy Castle And Murders Criminals While Listening To The Theme Song

And Wearing That Wintermelon Wolf Mask Wielding A Hockey Stick.

DarkStar:Not To Mention That She's Afflicted.

Ninjax:Afflicted?

Priest Of Light:A Human Who Has Been Imbued With The Blood Of The Old Gods,Causing Insanity And Bloodlust.When Mutated After Fully Awakened...You Can Never Come Back As A Human.

Priest Of Darkness:You Can Only Sort Of A Budding God Of Yourself And Yourself Alone.

Blackcrusader:Say Less,Where Is She By The Way?

Jack Goins:Why Don't You Ask Mr.Red?He's The One Who Resurrected The Rivergrove Killer Herself,Despite Her Using Plant Manipulation.

TekDek:Which Explains Her Being Afflicted For Reasons After Listening To Someone That Manipulated Her.

Priest Of Darkness:Are You Referring To The Scarlet Queen Herself?

TekDek:Huh...If That's Who I'm Talking About Then So Be It.

Blackcrusader:(Hears The Phone Ring And Answers It)Speak.

Henry Jasperson(On The Phone):Uh Mr.Crusader?

Blackcrusader:...Wh-Who Is This?

Addison Brody(On The Phone):Hmm Let's See...Who Watches Candy Castle Everyday?Who Plays Hockey With Her Childhood Best Friend?...And WHO Bears A Mask Of A

Winterberry Wolf And A Princess Cherry Cherry
Keychain?

Blackcrusader:...Oh Crap.

Addison Brody(On The Phone): Correct...I know Who You
Are...And I Have The Skills That Make Me A Nightmare
For People Like **You**.So Here's What **I'M** Gonna Do... I
Will Look For You,I Will Find You,And I Will Kill
You.You Have My Word,I Will Literally Kill You And

TekDek: So We Have To Be Prepared To Put Her To Rest.

Jack Goins: Hehe Go Ahead,She'll Kill You And Feed You
To A Pack Of Skags.

Drake The Crackhead: Really?

Jack Goins:Yup,She's One Of The Afflicted Just Like DarkStar Said.We Won't Stand A Chance Against Her AND Her Powers,Cause If We Engage Now Then We'll Both Be Corpses In A Simple 2 Seconds Headstart But A Minus For The Leathermen.

Priest Of Light:He's Right,Even If We Stand A Chance Against An Afflicted Entity Like The Poor Child,She Will End Our Lives Before We Could Get A Chance To Take Her Down.

Blackcrusader:And We Better Act Fast Before-(Hears A Knock On The Door,Walks Towards The Door And Answers It)...Uh Hello?

The Top Floor Of 54-Story Ponte Tower Death City

Deathhead: ...They've Met The Thief Of Light While You've Captured This Girl?

Junk Punk: Correct, She Killed A Lot Of People With These Powers She Got From The Scarlet Queen Herself.

Deathhead: Interesting...But She Is Not A Queen, She's A False Idol To Others. Something To Corrupt Their Minds During Both Day And Night, Something To Fill Their Childhood To The Brim With Trauma And Nightmares.

Jack Knife: ...In Other Cases, (Gives Deathhead; Addison's Winterberry Wolf Mask) We Found This While She Was Wearing It.

Deathhead: And It Resembles Her Being A Wolf In Sheep's Clothing.

SplatterHEAD:Speaking Of...(Tosses His Cleaver Towards Wall Next To Kanade Amakusa)Well...Look What The Cat Dragged In.

Kanade Amakusa:Uh...Uh...Uh...(Screams And Gets Knocked Out By Jack Knife)

Jack Knife:Kanade Amakusa,Cursed With The"Absolute Choice"...Take Him To The Cells,We Shall Make Him Become A Man.

Junk Punk:Nice,Can't Wait.

Blackcrusader's House

Death Squad HQ

Blackcrusader:Uh C-Can't Just Talk It Out Like Normal People?I Mean...Why Are You Ladies Chasing Me?

Naomi Blackburn:Well That's Because We Love You Master And We'll Always Be Around To Look After You.

Ayane Johnson:Yeah!(Hugs And Kisses Blackcrusader In The Cheek,Giggles)Even When You're Not Home.

Diana Maye:(Grabs Blackcrusader By The Leg)So Pwease Don't Mashter,It's Lonely In The House Without You.

Blackcrusader:Ok But WHY Is Clara In My Room BURNING A FEW OF MY GAMING MAGAZINES?!

Clara Flowers:I'm Not Burning The Gaming Magazines,I'm Burning The One's That Are Shameless And Perverted.

Blackcrusader:Alright But...Diana,(Points A Turd On The Floor)Can You Explain To Me What That Is?

Diana Maye:Hmm?(Notices A Turd On The Floor)Oh Yeah,One Of The Girls Released Jane While She Was Eating A Hot Pocket Clara Made.

Blackcrusader:She WHAT!?

Jane The Feral:(Laughs Wildly And Bundles Up Towards Blackcrusader After Crawling Towards Him)

Blackcrusader: (Sighs, Face Palms) ... Could This Get ANY Worse? I Mean I've Killed The Calypsos, Killed The Former Leader Of The Peggies, Killed Handsome Jack And Killed Alot Of Others In The Process. (Hears A Knock On The Door) ... I Wonder Who That Could Be. (Walks Towards The Door While Holding A Spas 12 And Opens It, Sighs) ... Typical, Look What The Church Dragged In.

Sister Daisy: Nice To Meet You Too Mr. Crusader, And My Don't You Look Rather ... Busy Today.

Blackcrusader: Thanks, I'm Guessing You Came From Living Again Worldwide Ministries, Last Hope Or Fall's End?

Sister Daisy: No Not Really, I've Come All This Way From Sacred Relief To Come In Contact With A Sinner.

Blackcrusader: Which Is?

Sister Daisy: ... You.

Blackcrusader: Say Less, And Besides Aren't You Supposed To Be At Church Doing God's Work? Cause I'm Bored As A Dog On A Monday And Garfield Hates Mondays.

Sister Daisy: But I'm Sure That He Gets Like That ALL The Time, But What I'm Really Here For Is To Give You Something Special.

Blackcrusader: Let Me Guess, You're The Country Nun From Queens Beach Huh?

Sister Daisy: ... (Giggles) Sort Of.

Blackcrusader: Right ... So, If You're Around, ... Whistle If You See Any Signs Of Some Others That Want To Get Their Hands On Me.

Sister Daisy: Will Do. (Turns Around And Heads Back To The Sacred Relief Church) You Have A Good Day Now, And May God Be With You ... Always.

Blackcrusader: ... Ok. (Just As He Closes The Door, Notices Daisy Stopping Him From Closing It)

Sister Daisy: (Gives Blackcrusader A Pamphlet And Her Card)

Blackcrusader:... (Nods) So I Take It That You're Not Just Some Ordinary Nun?

Sister Daisy: (Smiles At Blackcrusader) Maybe. (Turns Around And Walks Away While Humming "Let It Shine")

Blackcrusader:...

Sister Daisy: And Use It On Something Else Instead Of Using It On One Of God's Children, No One Likes It When You Point It At Others! It's A Crime You Know. (Winks At Blackcrusader, Continues To Walk Away While Humming "Let It Shine")

Blackcrusader:... Weird. (Closes The Front Door)

Blackcrusader's Room

Listening To "Tyler The Creator-Yonkers" While Staring At The Ceiling Fan

Blackcrusader: (In Mind: (Sighs) ...What Am I Thinking About? Maybe It Has Something To Do With The Fact That I've Talked To A Nun From Some Church Called Sacred Relief... Whatever That's Called. Wait... I Did Mention That She's A Country Gal From Queens Beach. But Isn't Milk A Country Gal? I've Seen Her Photo Back In The Cog Gear Apartments When Ninjax Showed It To Me. Also I DID Met The Employees At Pizza Thot Not To Mention The Former Thot Wings Manager And Her Big D**k Since She Asked Me To Fuck Off Before I Took The Money And Walked Out Without Giving A Fuck As I Never Did Quote Unquote Give 12 Shits About Those Places While Talking About Something To Do With The Fact That I've Met Someone Else While I Was There... Wait...

That Nun I've Just Met...She DID Say That Her Name Was Sister Daisy Right?I Mean...Who Else Wouldn't Have The Name Daisy,Cause The Name Means Day's Eye.Huh...And She Did Look Busty For A Nun,Well Despite Her Looking Like She's Compared To Some OTHER Assholes.

Like Those Band Members Of Twisted Bats,They May Be Goths But Two Of Them Dean AND Mary Used To Be In A Christian School,But Rumor Has It That They've Got Caught Trying To Have Sex In That School And Just Got Punished For It.And Of Course Thot Wings Has It's OWN Manager Despite Boss Being Around To Have An Implant For Her Crotch.And Command Grab...(Sighs)...I HATE Command Grab So Very Much,It Makes Me Want To Kill Myself OVER AND OVER AGAIN!But...It's Fine,I'll Make

Her Pay Someday But Until Then I Gotta Deal With Some Other Problems.

Like...Her For Example,Sure She's The Mayor OF Queens Beach But Why Would Some Douchebag Want To Elect HER For Mayor I Mean Look At Her,She's Just A Thot Who Won The Election But Not To Mention Her Friends Esha AND Ruth...UGHH!...She,Her Ass AND Her Tits Make Me Wanna Just...Just...(Sighs)Whatever,Fuck her,Fuck Queens Beach AND FUCK EVERYONE I HAVE EVER MET!)(Hears A Knock On The Door,Walks Towards The Door And Opens It,Looks Around And Shrugs)Goodbye...(Just As He Closes The Door...)

Milkbar:H-HEY!(Opens The Door)

Blackcrusader: Hey Calm Your Tits Cowgirl, It's Not Like I Didn't Know Your Sister And What Not.

Milkbar: Th-That's Because You Haven't Met Her. (Sighs) L-Look, She's Big, Tall And She's Not Your Average Kind Of Gal.

Blackcrusader: Ok, Then What Is She?

Milkbar: Ugh! (Shows Blackcrusader A Picture Of Her Sister)

Blackcrusader: Woah...Say Less.

Drake The Crackhead: (Walks Into The Kitchen Shirtless) Sup Homes And Oh...I See You've Got Some Company Up in Here.
